### PLANNING APPLICATIONS

Planning and Development Acts 2000 to 2023 An Bord Pleanála Reference Number ABP-3187/23 in accordance with section 146B of the Planning and Development Act 2000, as amended, An Bord Pleanála has received a request to alter the terms of the previously approved Upperchurch Windfarm development which comprises 22 No. wind turbines, access roads, electrical substations and ancillary site works in the townlands of Granera, Shevry, Knockcuraghola Commons, Knockmaroe, Grousehall, Cummer, Collinhaman, Glenchmaigh, Cumberg, Koonmaghera, Commons, Glenbeg and Seskin, Co. Tipperary. The case reference for the alteration request is ABP-3187/23. The request, submitted by Ecorp Development Limited, relates to a proposed alteration to the terms of the Board's decision to grant approval for the above mentioned development (An Bord Pleanála ABP-3101/21 reference). The proposed alteration to the above mentioned development is to change the dimensions of the authorised turbines to an overall height of 158 meters, with a hub height of 90 meters and 136 meters rotor diameter. This alteration would increase the authorised rotor blade length by 9.5 meters and decrease the authorised hub height by 3.5 meters which would result in an increase in the overall height of the authorised turbines of 6 meters. The proposed alteration also includes micro-siting of 9 No. turbines, realignment of 5 No. hardstands and the omission of authorised Site Entrance No. 9 in Knockmaroe townland and the omission of 700 meters of associated windfarm roadway. The Board has decided, in accordance with section 146B(2)(a) of the Act, that the proposed development would constitute a material alteration to the terms of the development. Under section 146B(2)(b) of the Act, the Board shall have regard to any submissions/observations made on foot of this invitation. The information relating to the proposed alteration (including the details of the request) may be inspected free of charge or purchased on payment of a specified fee at the offices of Tipperary County Council and the offices of An Bord Pleanála during public opening hours for a period of four weeks commencing on the 16th May 2024. Any submissions/observations in relation to the request to alter the terms of the development may be made to An Bord Pleanála, (The Board), 64 Marlborough Street, Dublin 1 or <https://online.pleanala.ie/en/submit/observation>. Any submission must be accompanied by a fee of €50 except for certain prescribed cases. There is no fee required for a submission/observation by those parties/dividuals who have previously submitted a submission/observation to the Board in relation to the original application (17/12/21).

### PLANNING APPLICATIONS

Submissions/observations must be received by the Board no later than 5.30pm on the 12th June 2024. Such submissions/observations must include the following: (i) the name of the person making the submission or observation, the name of the person acting on his or her behalf, if any, and the address to which any correspondence relating to the submission should be sent; (ii) the reasons for observation, and argument on which the submission is based in full. Any submissions or observations which do not comply with the above requirements cannot be considered by the Board. Any enquiries relating to the application process should be directed to the Strategic Infrastructure Development Section of An Bord Pleanála (Tel: 01-85881100). Signed: Pat Brett, Director, Ecorp Power Developments Limited.
